Concrete & Grouting Pumps
Gunitite & Shotcrete Equipment
Plastering & Fireproofing Equipment

Division of **Mi** Mesa Industries, Inc.

PumpMasterTM

Model PG-21

When you need the job done right, trust a master!

The versatile Airplaco PumpMaster (PG-21) is the ideal machine for mudjack / slabjack applications, pressure grouting, low-volume pumping, concrete filling and plaster/stucco spraying. The PumpMaster is field-tested and approved by hundreds of contractors. Each pump is manufactured using proven grout pump technology.

- * **Positive displacement piston pump**
- * **Exclusive hydraulic drive train**
- * **Full-flow 3" ball-check manifold system**
- * **Pumps aggregates up to 3/8" minus**
- * **Self-propelled** * **Wireless remote**

Specifications

Max. Production Capacity	Up to 210 cu ft/hr (5.9 cu m)
Material Line Pressure	0 to 400 psi (27 bar)
Material Hopper	5 cu ft (141L)
Material Cylinder	Single 5" hard chrome
Max. Aggregate Size	3/8" minus (19mm)
Engine	15 hp gas/electric start
Weight	750 lb (340kg)
Dimensions	29" W x 72" L x 34" H

Performance is relative to cycle rate, mix characteristics, line size and distance. Max output, line pressure and distance cannot be achieved simultaneously. Specifications are subject to change.

AIRPLACO™

www.airplaco.com

- Concrete & Grouting Pumps
- Gunite & Shotcrete Machines
- Mining & Plastering Equipment

The premier mudjack / slabjack pump in the industry!

Built from over 50 years of manufacturing and on-the-job mudjacking experience--the highest quality pumps available in the industry backed by the most experienced company.

Exclusive!

Wireless Remote

Allows nozzle operator to control the pump! Easily start or stop material flow using handheld remote.

Accessories

- * High-pressure grout hose
- * Various Nozzles
- * Water meters
- * Pressure gauges

SlabjackTrailer

TrailMaster

Includes mixer, material bins, tool storage, pump hauler

Specifications

Mixer engine	15 hp, gas powered, electric start
Mixer capacity	6 cu ft
Material bins	Dual
Pump Transport	Pump hauler with easy-ramp access
Axle	Tandem
Highway Package	Electric brakes, lights, fenders, ball hitch
Weight	7,000 lbs.
Dimensions	14' W x 7' L

Training Classes

Includes classroom instruction, job-site training, "How to Slabjack" manual and other tools for bidding your jobs!
